

## 6203580 BLUESTAR UNDERWEAR, LONG SLEEVE

### DESCRIPTION

Functional undershirt made of 100% soft polyester (birdeye structure) with cool-dry and antibacterial function (silver & zinc ion). Cool-dry function seeks to transport moisture from the body so that the skin feels dry. Raglan sleeves ensure great freedom of movement. Flat stitches to avoid irritation during daily use. The back is longer than the front.

### FEATURES

- Breathable
